Summary: Another parody of a hit Disney song; this one for Mettaton I really dunno if anyone else has ever done this before, so yeah, I'm just gonna go ahead and extend an apology to those I accidentally copied; I own nothing and all credit goes to the original creators

Perfect Isn't Easy

Perfect Isn't Easy

Original by: Bette Midler for Oliver and Company (Disney)

Parody by: Me for Mettaton

Boy, we've got work to do

Pass me the paint and glue

Perfect isn't easy

But, it's me

When one knows the world is watching
>One does what one must
Some minor adjustments, darling
>Not for my vanity<p>

But for humanity

Each little step a pose
>See, how the crafting shows
Sometimes, it's too much for even me

>When all of the world says yes
Then, who am I to say no?
>Don't ask a droid to strut like a show-bot
No, boy, you need a pro

Not that you'd understand

I'm in high demand
>La, da-da, dee, dee, da<p>

Perfection becomes me, n'est ce pas?
>Unrivaled, unruffled<p>

I'm beauty unleashed
>(Yeah)
Jaws drop, hearts stop,

So classic and classy
>We're not talkin' Blooky
La, ah, ooh

Though many covet my fame and beauty
>They're barkin' up the wrong tree
You pretty monsters all over the underground
>I have your hearts and you have my pity
Pretty is nice, but still, it's just pretty
>Perfect, my dear, is me<p>

End
file.
